July 2009

Happy Independence Day!!

Our Center will be CLOSED on Friday, July 3rd in observance of the holiday.

Reminder:

July tuition is \$695.00, excluding the 2's class, for special activities we have planned.

Mr. Randy, KID-FIT, Creation Station, and SE Regional Library are all scheduled in July. See your child's classroom information on reverse side for dates.

The children are really enjoying these summer activities!

Center Openings:

We currently have some classes with immediate openings as well as some classes with openings in the fall. Please spread the word if you know of anyone who needs child care! Thanks!

Summer Safety Reminders:

Summer is here and outdoor fun is calling! To get the most enjoyment from summer activities, keep safety in mind.

When children spend time in the water, stay within an arms length and avoid distractions like the telephone. Flotation devices are great for play, but do not replace the close visual supervision.

Never leave a child alone in a car, even with the windows down. On a summer day, the temperature inside a parked car can reach 120 degrees in 10 minutes, causing a child to suffer from heat exhaustion or even life-threatening heat stroke.

Enjoy sunshine wisely! The sun's UV rays activate Vitamin D in the skin, which is beneficial, but too many UV rays can be damaging to skin & eyes. Cover up with light clothing, hats, & sunscreen, even on cloudy days!

During hot, humid weather children may lose body fluids through perspiration. To reduce the risk of dehydration, offer water frequently, dress children in clothing that is light-colored & lightweight, and replace damp garments with dry clothing.

July Classroom Information

2's Class:

Wow, it's already July!

This month we will talk about lots of fun things like the 4th of July celebration, wacky week, water week, and ocean fun. We'll also go over colors and numbers for our new friends during circle time. We will end the month with sports week!

We will be having "Splash Day" outside each Friday in July (excluding the 3rd). Please bring the following for "Splash Day": bathing suit, change of clothes, sunscreen, towel, and a water toy of your choice.

Stay cool on these hot days!

We would like to wish Caroline a Happy Birthday this month!

Ms. Sheron & Ms. Ashley

3's Class:

Summer is here and so is the heat!

This month we are going to be talking about sea life. If your child has any sea life books or movies, please feel to bring them in to share with the class.

Special activities planned for July are:

KID-FIT: 6th, 13th, 20th, & 27th

Library: 14th

Mr. Randy: 17th & 31st

Creation Station: 30th

Our Center will be closed Friday, July 3rd.

Have a safe July 4th weekend!

Ms. Renee

3's & 4's Class:

We have a busy month filled with many fun summer activities!

We are finishing up with insects and then we will be discussing ocean life the whole month of July.

The kids are really enjoying our summer programs that are taking place. Just a reminder: KID-FIT is here every Monday starting at 10:00, Library will be here on the 14th, Mr. Randy every other Friday (17th & 31st), and Creation Station on the 30th. If you don't want your kids to miss out, try to have them at school early on these days.

Have a wonderful summer and a safe 4th of July weekend!

Ms. Jennifer

4's & 5's Class:

Welcome to July! It's hard to believe that June is gone!

We have recently welcomed new children to our class. We have also said good-bye to those who we have grown to love, but send them off to Kindergarten knowing they will do well.

Our topics for July are: Fourth of July, Free Art, and Sea Life.

We also have a lot of fun activities going on: KID-FIT will come every Monday (please have your child wear tennis shoes), Garner Library on July 14th, Creation Station on July 30th, and Mr. Randy on July 17th and 31st.

Please remember to have a change of clothes in your child's cubby in case of accidents and clean cot covers on Mondays.

Share Day will be on Thursdays all summer.

Ms. Debbie & Ms. Noelle
