CAMP E.D.G.E. (Experience + Discover God Everywhere) takes your children to an extreme adventure camp where they experience and discover God everywhere! CAMP E.D.G.E. is not your typical stroll through the woods. It's an action-packed, adrenaline-filled expedition that teaches kids their strength and might come from God. Through rockin' contemporary music, larger than life recreation games, mind-boggling science activities, and cool, challenging crafts, you'll show your kids how to live on the E.D.G.E. in their faith. For more info, visit [www.emyattpc.org](http://www.emyattpc.org).

## Summer Activities - June, July, & August - \$20 Extra Tuition (3's -5's Classes only).

Our summer activities begin this month and we are especially excited about the physical education program called KID-FIT! We left a welcome letter and health form for this program in your child's cubby recently. Please fill this out and return ASAP, as the program begins Monday the 8<sup>th</sup> and your child cannot participate without the health form completed. Thanks!

## Dress Code Reminder

As summer approaches, we would like to remind you that children should not wear "flip-flop" or "Croc" style shoes, or shoes with slick soles. We have found that these are not safe, and they limit the child's activity.

## Independence Day Holiday

Our Center will be CLOSED on Friday, July 3<sup>rd</sup> for the holiday.

## Happy Father's Day on June 21<sup>st</sup> to all the Dad's of the Center!

For the month of June, the class will be learning all about different insects and making our Dads something special for Father's Day. If your child has books or movies (Rated G) about insects, please bring them in to share with the class.

### **4's & 5's Class**

As our school year of curriculum and hard work comes to a close and our summer program begins, you can look back with pride at the wonderful strides the children have made in their social and motor skills, and most importantly in their development of positive and secure self-esteem. We have watched each child grow and learn this year, and you as parents have contributed so much to their learning by your support to the teachers and the classroom.

It has been a great year and we will end it by having a relaxing, fun summer of activities. This month, we'll be having fun with "Space" and "Let's go to the Zoo".

Our class would like to say good-bye to Meredith, Gracey, Kirsten, DJ, Emma, Hayden, and Jake. We'll miss you and wish you the best in Kindergarten. We would like to welcome Luke and Nicolas to our class on June 1<sup>st</sup> and Jaxon and Michael on the 3<sup>rd</sup>.

Our class would like to wish Meredith and Pastor John a Happy Birthday this month.

Ms. Debbie & Ms. Sheila
