Once again, we are asking parents of students in Ms. Sheila & Ms. Debbie's class to let us know when your child will be leaving this summer or fall as soon as possible, so we can continue to work on our class assignments for summer & fall.

Mom's love will stay with us forever,
and touch our lives in precious ways...

May Classroom Information

Two's Class:

Wow, it's already May and this month we will talk about the pretty flowers with all the different colors and shapes they have!

Then we will talk about how special our Mothers are and make some special art!

We will also talk about transportation and how it helps us get around!

We will have a color review this month and end the month with learning the number 5.

We'd like to wish Ms. Renee, Ms. Ashley, & AnnMarie a Happy Birthday this month!

Ms. Sheron & Ms. Ashley

Three's Class:

May is here and I can't believe it!

This month the class will be talking about transportation, gardening, and Mother's Day.

Please make sure to continue to go over the alphabet with your child at home.

With the beautiful weather here, the class will be going out earlier, so therefore the art may be planned for outside.

Please apply sunscreen to your child before coming to school.

Happy Birthday to Ms. Renee (2nd), Emi (2nd), and Ms. Ashley (11th)!

Happy Mother's Day to all our mothers!

Three's & Four's Class:

Can you believe that summer is upon us? We are enjoying the great weather! Remember to change out your child's cubby with cooler clothes in case they are needed. Also remember to label things so we will know whose is whose!

For the month of May, we will be reviewing our numbers, colors, shapes, and letters. Remember to review these things at home as well especially through the summer so they will stay fresh in their minds. We will also be discussing zoo animals and Mother's Day.

I will be going on maternity leave sometime in June and will be out until the first of September. Ms. JoAnna will be your child's teacher during this time. I am excited about the coming of our new baby girl and will look forward to returning in the fall!

Birthday wishes go out to Ms. Renee (2nd) and Ms. Ashley (11th).

Ms. Jennifer

We will have our Graduation Day on May 27th at 4:00 pm. Please watch the door for more information about the program.

Parents, we would like to thank you for being a great group to work with, and we have certainly enjoyed working with your children this year.
