Safety First:

Keep your child safe at school with
these clothing tips. Floppy shoes
(flip-flops, sandals, Crocs) or shoes
that do not fit properly might cause
accidents. Baggy clothes and
cords/strings on clothing can get
caught in playground equipment.

Enjoy the rest of your summer!

August Classroom Information

2's Class:

Well, it's August and we've had lots of fun thus far!

This month we will talk about "Summer Fun" all month long!

We will continue to work with the children on playing in centers and using our toys in the correct ways.

We will practice listening to our friends' words and showing a response to friends. This is an example of a two-step command that we need to learn.

Happy Birthday wishes go out to Landon, Caitlyn, and Ms. Jennifer this month!

Ms. Sheron & Ms. Ashley

3's Class:

August is already here, and our class can't believe how fast the summer is moving along!

There will continue to be moving of friends into and out of our room this month, so look forward to seeing some new faces!

This month our class will be talking all about "Summer Fun"! During circle time, we have been discussing the first letter of your child's name and the month & day of their birthday. Also, children this age should be able to put together puzzles with 10-12 pieces. We will be practicing these. Please reinforce these things at home.

Our special activities include "Move It", Creation Station, Mr. Randy, Southeast Regional Library, and a carving demonstration from "Ice Occasions".

Our center will be closed for teacher workdays on the 30th & 31st.

3's & 4's Class:

August is already here and summer is almost over. It has been a fun and busy summer! I would like to welcome my new friends to the class.

During the month of August we will be doing mostly summer fun activities. That will include cooking activities, crafts, and fun art. Keep a check on the calendar posted outside the classroom door for other special activities planned this month.

We will be closed on the 30th & 31st for teacher workdays.

Please make sure your child has a change of clothes in their cubby at all times. Also, if you bring different sheets from time to time, make sure they are labeled.

Happy Birthday to Anna (2nd), Bailey (12th), and AJ (23rd)!

Stay cool and hydrated!

Ms. Jennifer

4's & 5's Class:

August is here and summer is almost gone. We have had so much fun playing and learning this summer!

We would like to wish the last of our children leaving for Kindergarten the best of luck! We will miss you. We would also like to welcome lots of new faces to our room this month!

Our themes for August include Pond Life, Fun Art, and Book Week. We will also continue to have our special activities which are listed on our calendar.

The center will be closed for workdays Aug. 30th & 31st. Our new school year will begin Sept. 1st.

Happy Birthday to Andrew (6th), Bennett (22nd), and Ms. Jennifer (20th)!

Ms. Sheila & Ms. Debbie
